## **POLL WORKERS NEEDED**

The Secretary of State's office is reaching out to corporate and community outreach networks to promote the need for poll workers on Election Day. This important civic responsibility is open to all registered voters in Arizona and citizens who are at least sixteen years of age at the time of the election. Bilingual (Spanish or Native American) speaking poll workers are especially needed. Poll workers are paid for their time and effort. If you are interested, please call your county elections department (see page 12).

## **VOTER RIGHTS**

Any voter may be accompanied into the voting booth and assisted in casting a ballot by a person of his or her choice or by two (2) poll workers of different political parties. Candidates whose names appear on the ballot (other than precinct committeemen) may not assist voters. In addition, a voter may also be accompanied by a person under the age of 18 pursuant to Arizona's "Youth in the Booth" law. Sample ballots may be brought to the polling place and may be taken into the voting booth at the time of the election. Any qualified voter who is in line to vote at 7 p.m. on Election Day shall be allowed to prepare and cast a ballot.

## **INSTRUCTIONS TO VOTERS AND ELECTION OFFICERS**

1. The polls are open from 6:00 a.m. until 7:00 p.m.
2. Please give your full name and place of residence and appropriate identification document(s) (see below) to the election officer in charge of the signature roster. The election officer will determine which type of ballot you will use to cast your vote.
3. Once you have received your ballot, go to the next available voting booth to cast your vote. Follow the instructions and mark your ballot opposite the name of each candidate and ballot measure that reflects your choice.
4. If you want to vote for a person who is not printed on the ballot, write that person's name on the lines provided and mark the ballot in the appropriate place next to the name you have written.
5. Ask for assistance if you are physically unable to mark your ballot. An accessible voting device will be available in every polling place. Two election officers from opposing political parties may also accompany you to the voting booth. They will:
  - tell you the names of all candidates for each office on the ballot;
  - tell you the political parties by which the candidates were nominated for each office;
  - read you the text describing the ballot measures;
  - ask the name of the candidates and ballot measures that reflect your choice; and
  - mark your ballot correctly.

Neither of the election officers who assist you with your vote are allowed to influence your vote by recommending or suggesting any candidate, political party or any ballot measure.
